CARL A. HANSEN NURSERY

BROOKINGS,

S. DAK.

U. S. Department of Agriculture

Dear Friend,

About this time each year we have our Annual Cellar Clean-Up Sale of all the stock we have left in storage in good dormant condition.

There is still plenty of time to plant shrubs and trees, as long as they are dormant. Altho our supply of some things is not too big now, we do have the following items in good condition, and they will grow if properly planted and cared for. In order to give our customers the advantage of this, we have cut the prices way down while our present supply holds out, during the rest of this planting season. We can ship until about June 20th, but the sooner you plant now the better.

In filling orders from this Clean-Up Sale, if we are out of any item, we reserve the right to substitute with similar kind or value, or to ship what we can now and allow credit for the balance, to be applied on an order next season. But we'll do the very best we can for you. Because of these very low prices, please have all orders total \$3.00 or more, and if you want to order less than that amount please add 25¢ for handling.

Shipment by express or parcel post, collect for the delivery cost or if you want prepaid shipment please send enough extra to cover.

Order Promptly And Take Advantage NOW Of These Many Big Bargains!
